TechCorp Employee Handbook

1. Working Hours

Our office hours are Sunday to Thursday, 9 AM to 6 PM. Employees may start between 8 AM and 10 AM as long as they complete 8 working hours that day. Friday and Saturday are weekly holidays. Overtime must be approved by the line manager in advance, and approved overtime is compensated with time off in lieu within the same month.

2. Annual Leave

Full-time employees receive 20 days of paid annual leave per calendar year. Up to 5 unused days may be carried over to the next year; any additional unused days expire on December 31. Leave requests longer than 3 consecutive days must be submitted at least 14 days in advance through the HR portal. New employees accrue leave monthly during their first year.

3. Sick Leave

Employees receive 10 days of paid sick leave per year. A medical certificate is required for any absence longer than 2 consecutive days. Sick leave does not carry over to the next year. Employees should notify their manager before 10 AM on the first day of absence.

4. Remote Work

Employees may work remotely up to 3 days per week with line manager approval. Employees in their first 3 months (probation period) must work from the office. Remote workers must be reachable on Slack during core hours, 11 AM to 4 PM. Requests for more than 3 remote days per week need written approval from the department head.

5. Expense Reimbursement

Expenses under $50 need only a receipt photo. Expenses between $50 and $500 need manager approval before the purchase. Expenses above $500 need department head approval. All claims must be submitted within 30 days of the purchase and are reimbursed on the 5th of the following month.

6. Company Equipment

The company provides a laptop to every full-time employee. Equipment must be returned within 7 days of the last working day. Lost or stolen equipment must be reported to the IT team within 24 hours. Personal use of company laptops is permitted but must not violate the IT security policy.
